*Fleet Services								
**University Advancement								
<b>Guests</b>								
Jeff Pfeifer	SAIF	X						

This was an abridged meeting due to the annual Incident Investigation training, presented by Jeff Pfeifer from SAIF.

### INJURY REPORT

**INCIDENT 1:** There was a question raised about what a beer bunker is.

**INCIDENT 11:** This incident refers a vehicle accident that happened while an employee was driving to their jobsite and there was a conversation about the potential factors that could have caused it.

**INCIDENT 15:** An employee reported that they smelled animal droppings when they were removing a bag from a trash can. As a result, there was a conversation about why there were animals in a non-animal laboratory space.
