Old Business

1. Incident Review – Ruby

Incident 41: Bromine is supposed to be stored at a low temp, if it is not refrigerated it will build pressure and explode its container.

Incident 38,39: Offgassing caused bottle to break during experiment, waste containment will be investigated by LSAC.

Incident 44: Why is string trimming in the summer a risk? Incident meeting for this happened yesterday. Eye protection and a guard are required for use.

Incident 32: Dog bite during cleaning from member of the public, Risk is investigating. Possible solution to have safety announcements pre-events.

2. Minutes Review and Approval – Ruby

Minutes reviewed and approved.

New Business

1. New fiscal year, \$1,500 budget has been renewed – Ruby

Suggestions for ideas to spend the budget are requested.

2. Expect in August to have a report for FY2026 budget breakdown – Ruby

3. Building Inspections: McKenzie would be the next SAC inspection location.

4. Training Opportunities – Justin

Hand Injury Prevention and Acceptable Risk are featured this month. Hand injury is one of the most common injuries we see at UO. Wildfire smoke season is here, wildfire smoke prevention training is recommended for all and required for some.

5. Open discussion: Nothing brought up.

Meeting concluded 9:22am.
