## CLERY ACT COMPONENTS:

**Campus Security Authorities:** CSAs are employees who are in a professional position that makes it likely that students or others could report crimes to them. Under federal law, CSAs have a responsibility to tell the institution about such incidents. [clery.uoregon.edu/campus-security-authorities](http://clery.uoregon.edu/campus-security-authorities)

**Annual Security Report:** The ASR is released annually by October 1st and can be found at [clery.uoregon.edu/annual-campus-security-and-fire-safety-report](http://clery.uoregon.edu/annual-campus-security-and-fire-safety-report)

**Crime Alerts** The University of Oregon sends out two types of alerts that satisfy Clery Act requirements to keep the campus informed about safety and security threats: "timely warnings" and "emergency notifications." [clery.uoregon.edu/crime-alerts](http://clery.uoregon.edu/crime-alerts)

**Clery Act Mandatory Reporting** The Clery Act is a federal law that requires schools to collect information on and report crimes that occur at certain types of locations, including crimes that occur during student trips.
